Welcome!

'God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.'

—Hebrews 6:10 (NIV)

Welcome to a new year of SRE and RI!

Each year brings its own joys and challenges—but what never changes is the extraordinary impact of your faithfulness. Some of you have been teaching in schools for decades—10, 20, even 30 years or more. Quietly, steadily, you've kept preparing. Kept showing up. Kept praying.

Our culture celebrates the latest trend, the newest fashion, the momentary triumphs—but the message from the Bible that you teach in your classes has an eternal value. If you've been teaching for even a little while, you'll know you may not see the impact of this right away. But God sees every lesson prepared, every child loved, every truth spoken in faith.

So remember God is just. Be encouraged. You are part of something far greater than you know—and your labour in the Lord is never wasted.

Thank you for your love, commitment and perseverance. May 2026 be filled with fresh joy, deep encouragement and a renewed sense of God's presence in every classroom you step into.

God bless you.

Term 3A: Jesus: dead or alive?

Why do Christians believe in the most unbelievable part of the Christian story, to the point of being willing to die for their belief?

Term 4A: Jesus: myth, martyr or made-up?

What would it have been like to hang out with Jesus? Top bloke? Religious nut? Or something else entirely?

Why it is that Jesus' followers are so often not like him? And how can they fail to obey his commands?

Term 3B: Why isn't the Church perfect?

Is church a building? A social club? Is it a group of goody-goody killjoys? Maybe the church is something else entirely?

Term 4B: Why is Jesus worth paying attention to?

This seminar wraps up all that students have learned in senior high and junior high, as well as primary school and asks: What does Jesus have to do with me?
